

# alternative takes [on Human Impact]

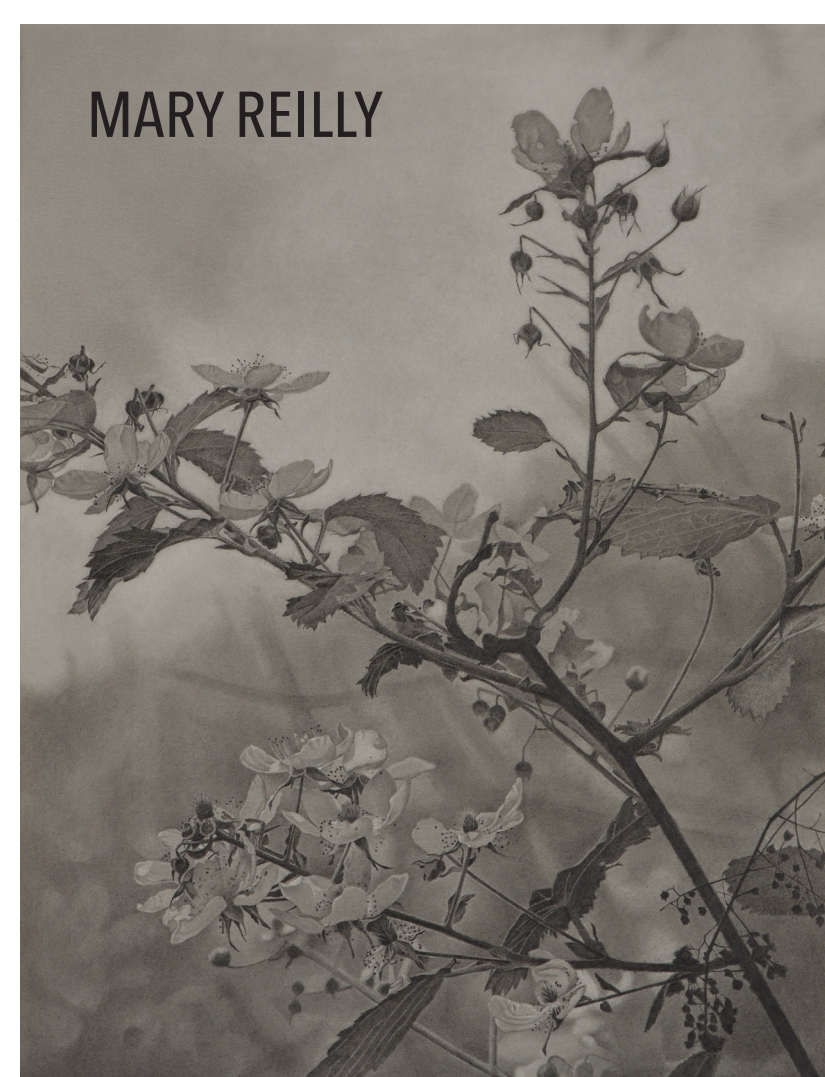

**Alternative Takes** [on Human Impact] is a group exhibition featuring three very different perspectives on the world around us, from the architecture of western civilization, to the natural world, to the individuals navigating both, accomplished with paint, collage, and graphite.

Participating artists:

**Misoo Bang**

**Richard Britell**

**Mary Reilly**

Work will be on display and  
available for viewing by  
appointment:

Wednesday, May 25 to  
Monday October 31, 2022
